PRODUCT DESCRIPTION

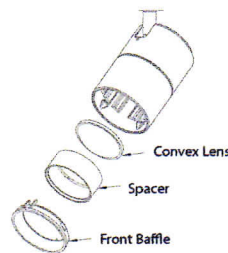

LED202 track luminaire offers driverless AC LED technology and easy change of beam angles in field. Superior light output in a small, unobtrusive design. The high output LEDs outperform halogen 50W MR16. Developed for upscale residential and commercial environments.

FEATURES

- Driverless AC LED technology
- Compact integrated design
- Easy change of beam angles in field
- Outperforms halogen 50W MR16
- Consistent high quality beam pattern
- Accommodates 1 lens accessory
- 360° horizontal and 90° vertical aiming
- 50,000 hour rated life
- 5 year WAC Lighting product warranty

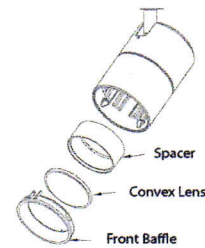

BEAMSHIFT™ TECHNOLOGY

LED202 track luminaires come with BeamShift™, allowing in-field change of beam angle simply by changing the location of the lens with a simple flat-head screwdriver.

Flood 40° Configuration

Convex Lens located behind the spacer

Spot 25° Configuration

Convex Lens located in front of the spacer.

SPECIFICATIONS

Construction: Die-cast aluminum with removable PC lens cap for easy change of lenses or accessories

Finish: Black (BK) and White (WT) powder coat paint.

Driver: Input voltage: 120VAC 50/60Hz.

Light Source: High Voltage AC LED module.

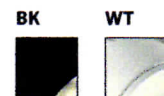

Dimming: Dims to 10%-100% with electronic low voltage (ELV) dimmer. Compatible with LUTRON SELV-300P, DVELV-300P and LEVITON MLE03-1.

Standards: ETL & cETL Listed. Energy Star Rated.

Details

Small yet sturdy and shining powerful light in whatever direction the customer desires. The Silo X10 LED Monopoint by WAC Lighting is a compact and minimalist solution to any customer's track lighting needs. The Die Cast Aluminum construction provides the optimal amount of durability and lightness, keeping the piece mobile and sleek. With several finishes to choose from, customization options abound. The beam can be dimmed with the help of an ELV dimmer, and the light boasts thousands of hours.

WAC Lighting, founded in 1984, has developed a strong reputation for high quality decorative and task lighting. Based in Garden City, New York, WAC Lighting is a leading manufacturer of low voltage, line voltage and LED lighting, including track systems, transformers, lamps, cabinet lighting and recessed downlights.

The Silo X10 LED Monopoint is available with the following:

Details:

- Simple form and clean design
- Performance luminaire with integral LED and driver
- Powder-coated finishes
- Accommodates one lens or one glare control accessory
- Dimming: 100% - 5% ELV
